

Fairwork Pulse

Haki Dossier - worker-prepared record

SYNTHETIC DEMO - all names, events, amounts, and evidence references in this file are fictional.

Worker details

Name	Amina M.
Location	Nairobi
Work sector	Construction and artisans

Payment summary

Recorded unpaid agreed amount	KSh 600
Estimated additional entitlement	KSh 563 - NEEDS REVIEW

Work and payment timeline

Date and work	Agreed	Paid	Gap	Estimate
18 Sep 2026 Karibu Builders 07:30-17:30	1,200	1,000	200	450
17 Sep 2026 Karibu Builders 08:00-16:30	1,200	1,200	0	113
14 Sep 2026 Maua Contractors 08:00-15:00	1,100	700	400	0

Recorded gap = agreed pay minus payment recorded, never below zero. Estimates use entered hours and the stated multiplier. Breaks, occupation, location, and the applicable wage order require review.

Reported incident

16 Sep 2026 - Wage concern

Worker reports that KSh 400 was withheld for lunch and site transport that was not agreed in writing.

Evidence index

No image is embedded in this synthetic dossier. For the live demonstration, attach the prepared synthetic payment image and verify that its filename, capture date, and SHA-256 integrity hash appear here.

Prepare for assistance

1. Confirm dates, times, breaks, and amounts with the worker.
2. Bring original messages, receipts, photographs, and witness details where available.
3. Ask an adviser which current wage order and remedy process applies.

Calculation notes

Rule references: EMP-17-19 and WAGES-R5-6. Source register checked 21 September 2026. Employment Act, 2007:
